

Kitchen & Bath Industry Show Releases 2026 Final Figures **117,000 Industry Professionals** **Attended Design & Construction Week**

(ORLANDO, FL.) — February 19, 2026 — The [Kitchen & Bath Industry Show \(KBIS\)](#) concluded its 2026 edition following three days of product introductions, demonstrations, networking, and educational programming held February 17–19 at the Orange County Convention Center. Owned by the [National Kitchen & Bath Association \(NKBA\)](#) and produced by Emerald Expositions, KBIS is North America’s largest trade show dedicated to the kitchen and bath industry. The co-location of KBIS and the National Association of Home Builders (NAHB)’s International Builders’ Show (IBS) creates Design & Construction Week (DCW).

“KBIS 2026 was, by every measure, an incredible success and a reflection of the remarkable vitality of the kitchen and bath industry,” said Bill Darcy, Global President and CEO of NKBA | KBIS. “As shared at our annual State of the Association meeting, the industry is poised for a strong outlook, and the consistent feedback we received from attendees was that KBIS reignited enthusiasm for the future and provided meaningful connections that will help their businesses grow. As KBIS continues to evolve and expand, it’s bringing even greater, lasting value to our members from around the world. KBIS is the can’t-miss event for the global kitchen, bath and home industry.”

DCW 2026 By-the-Numbers

- 117,000 registrants
- 2,250 exhibitors
- 1,150,000 NSF

“KBIS 2026 once again proved why it is the must-attend event in the industry,” said Brian Pagel, Executive Vice President, Emerald, which produces KBIS. “From breakthrough product launches on the show floor to the innovation recognized through the Best of KBIS and Innovation Hour winners, this year’s exhibitors showcased the strength and evolution shaping the industry. The debut of Kitchen & Bath Canada and our executive peer-to-peer networks event, DesignPoint, speaks to the industry’s continued growth and our commitment to expanding our reach while creating meaningful opportunities for brands and buyers alike.”

The strong performance was reflected across the show floor, where exhibitors debuted new products and technologies with demonstrations and interactive displays, drawing steady crowds throughout the three-day event. Platinum sponsors Midea introduced the

Top Control Dishwasher with STRAWash™, while Brio showcased the 740i Nugget Ice Maker, and ZLINE revealed The Marino Collection. Gold Sponsors Kichler unveiled the Mikale ceramic shade, and TOTO launched the Aurora™ WASHLET+ S7A One-Piece Bidet Toilet.

In its inaugural year, the Homeworthy x KBIS LIVE Studio sponsored by GE Appliances' House of Brands extended the KBIS experience beyond the show floor, featuring live interviews streamed online for a broader audience. "What an exciting year to be the first partner to launch this effort with Homeworthy!" said Mary Putman, Vice President of Marketing & Brand at GE Appliances, a Haier Company. "There are so many great brands at this show and extending the trends, innovation and inspiration to a broader audience was a valuable experience for GE Appliances. Showcasing our Design District House of Brands allowed us to share our broad expertise with the designers and builders we value beyond the show floor."

Next year, KBIS and Design & Construction Week will be held February 2-4, 2027, at the Las Vegas Convention Center in Las Vegas, Nevada and will once again co-locate with the International Builders' Show.

About the National Kitchen & Bath Association and the Kitchen & Bath Industry Show

The National Kitchen & Bath Association (NKBA) is the not-for-profit trade association that owns the Kitchen & Bath Industry Show (KBIS), the largest kitchen and bath show in North America. With nearly 55,000 members in all segments of the kitchen and bath design and remodeling industry, NKBA has educated and advised the industry since it was founded in 1963. The NKBA's mission is to inspire and support the kitchen and bath industry through community, events, learning, and professional certifications. For more information, visit www.nkba.org or call 1-800-THE-NKBA (843-6522).
