Judging

The competition entries will be scored based on the following core areas:

- Creativity; presentation; design planning; elements and principles of design; safety and ergonomics; and NKBA Planning Guidelines
- Round 1 — Media
- Round 2 — NKBA Certified designers, Media & Industry Professionals

Competition Guidelines

- Entries with entry fee must be received by October 4, 2026, at 11:59 pm ET.
- The individual entrant must be the Designer of Record on each project. There is a maximum of two co-designers for each project.
- If the entrant is not the owner of the business that billed the project, owner approval is required for eligibility.
- The project(s) submitted must have been installed between January 1, 2025 and August 27, 2026.
- Enter the project into the one category for which it is best suited. You may enter as many projects as you would like that fit into the ten (10) different categories.
- A new entry form is required for each project submitted and is to be completed in full. Each entry requires a separate fee.
- All identifying design and firm information must be omitted, removed, or blacked out from photographs, floor plans, elevations, and design statements. (Note: Judges will make decisions on the projects without knowing who designed them).
- All required materials must be received digitally and labeled according to NKBA directions.
